the rules or policies. If this occurs, no reduction or return of fee, or any part thereof, will be made. Due to fixed costs based on enrollment, no refund or reduction can be made for arriving late or leaving early. My child has permission to participate in all camp programs, trips, and special outings planned and supervised by Camp Cody. Consent is given for using photos/audio/video of the camper by Camp Cody for promotional purposes, including use by professional camping associations.

I understand that part of the camping experience involves activities and group interactions that may be new to my child and that they come with uncertainties beyond what my child may be used to dealing with at home. Such risks include uneven terrain, standing, and moving water, forested, and other areas that may result in wildlife encounters including mammals, reptiles, and insects that could result in infections and various insect-transmitted diseases. I am also aware that my child may participate in off-campus activities such as trips and hiking that involve additional risks. In addition, there are certain unavoidable risks associated with various game and play activities such as collisions, wayward objects such as balls and other equipment, and other risks. I am aware of these risks, and I am assuming them on behalf of my child. I realize that no environment is risk-free, and so I have instructed my child on the importance of abiding by the camp's rules, and my child and I both agree that he or she is familiar with these rules and will obey them.

In the event I cannot be reached in an emergency, I hereby give permission to the nurse or physician selected by the Camp Director to secure proper treatment for my child. Although reasonable efforts are made to safeguard camper's personal property, the camp is not responsible for lost belongings or items damaged due to fire, theft, shipping & transport, laundry, water, or acts of God.

The application constitutes an enrollment agreement and shall be constituted in and under the laws of the State of New Hampshire. Jurisdiction for any legal action involving Camp Cody and any employee, camper, camper family, or other parties will be in Carroll County, NH.
